About Parshwanath Group

Welcome to Parshwanath Group - Your Trusted Steel Solution Provider in Western Maharashtra!

With a legacy spanning over 46 years, Parshwanath Group is a leading supplier and stockiest of Structural Steel, M.S. Plates, Roofing Solutions & Flat Products in the Western Maharashtra region. Our unwavering commitment to providing quality materials, precise quantities, and on-time services is at the core of our values and the driving force behind our success.

Mr. Chandulal Oswal, the Chairman and Managing Director, along with Mr. Pritam Oswal and Mr. Chetan Oswal as Directors, guide the company towards constant growth and success. Located at Kolhapur, our strategically placed facilities enable efficient distribution and prompt services to meet the diverse needs of our clientele.

At Parshwanath Group, we believe in building lasting relationships, providing quality products, and ensuring customer satisfaction every step of the way. With our commitment to quality, you can trust that our products will provide exceptional strength and reliability for your projects.

About Provack

Welcome to PROVACK Structural Steel, a new and vibrant player in Pune's steel industry. Born out of the esteemed Parshwanath Group (PG), PROVACK represents a commitment to excellence and innovation. With a solid foundation in the steel sector, Parshwanath Group has already left an indelible mark through its successful ventures, Parshwanath Ispat Pvt. Ltd. and Pritam Steel Pvt Ltd, both thriving in Kolhapur.

Led by Mr. Vishal Gandhi, we aim to set new standards in supplying Structural Steel, M.S. Plates, Roofing Solutions, and Flat Products. Our foray into Pune is driven by a vision to cater to the burgeoning needs of the steel market with a focus on quality, precision, and timeliness.

At PROVACK, we prioritize delivering top-quality materials, precise quantities, and on-time services. Our values, rooted in Parshwanath Group's success, focus on building lasting relationships and ensuring customer satisfaction. As a reliable supplier, we stand out in a sector where strength and reliability matter most, ensuring our products bring exceptional quality to your projects.
